## Testimonials

Everyone who came said how much they enjoyed our event last evening. The weather was perfect and the view from the balcony spectacular. The surroundings stimulated lots of great conversations. I have to thank Lauren for coordinating the arrangements and Amy for being such a wonderful host.

### **The Riverside Group - September 2018**

I wanted to say a huge thank you for arranging the dinner. It all went very smoothly and was a resounding success. We've had many compliments on the food, service, rooms, location and of course, the view.

### **Royal Society of Arts - September 2018**

Thank you so much for all your organisation of the event on Wednesday evening. All the guests and staff were complimentary about the venue, the food and the service. Our Chair said it was the best venue he has been to in a number of years and would highly recommend it to our Board.

We look forward to booking with you again next year and thank you again for making my job easier!
